Text: Luke 19:10, John 20:21

If you have ever asked the question of why Jesus came, the answer is clearly stated in Luke 19:20. Another question that needs to be answered, now that I have a relationship with the Lord Jesus Christ, what should I be doing? We find the answer in John 20:21. While sharing the gospel is not the only thing we have been called to do, it should be a daily part of our lives. This raises the question, “How can we follow Jesus, and not be a witness for Him?” I want to give you three challenges this evening.

1. More people must be involved.
2. We must be willing to go to more places.
3. We must share the gospel in more ways.
